

Instructions for Parking & Entering St Philip Mission Chapel At Ardmore Presbyterian Church

The St. Philip Mission Chapel is located at Ardmore Presbyterian Church in either: the Lower Nave “Fellowship Hall” or the Upper Nave “Chapel,” depending on availability. You can find the Nave of the service located in our website calendar. You can also look for sandwich signs to understand where to go.

LOWER NAVE

Sunday Liturgy starting March 8th will be held in the Lower Nave. If parking directly over drop-off, you may park in the Suburban Square Parking Lot or parallel park on Bleddyn Road. Handicapped spots are available on the private drive behind the church, accessible via Bleddyn Road.

The entrance for our services will be at the Ardmore Preschool entrance half-way down the private driveway. Look for a greeter or a sign. Enter the double doors and process down the short flight of stairs. Turn right and enter the double doors for Orthros and Liturgy services.

If dropping off for Church School or to unload your belongings, you may temporarily park in the private drive behind the church, accessible via Bleddyn Road. Enter via the Ardmore Preschool entrance half-way down the private driveway, climb the stairs, and then follow signs for the library and room 103 to drop off your child with their teacher.

UPPER NAVE

Saturday Vespers and some weeknight services will be available in the upper nave. Check the calendar to confirm, and look for outdoor signage.

Enter the private driveway behind the church, accessible via Bleddyn Road. You will similarly park at the Suburban Square Parking Lot or Bleddyn Road for permanent parking; however, you may leverage the private drive for drop-offs.

Find the entrance that says “Office.” Process through the double doors. Process up the stairs in front of you or via elevator. Follow signs for “Chapel” and enter through the double wood doors embedded with stained glass.

Welcome! We hope to see you soon!

(Applicable to both sets of instructions...)

Important:

Wheelchair and stroller access to an elevator are available via the “Office” entrance. Find a greeter if you seek assistance.

If you do not possess a handicapped tag, do not park in the private driveway behind the church for services! Thank you in advance for your cooperation!
